Reading Comprehension (20 M.)

Q1) A-Read this text carefully .

Smoking is considered to be dangerous to the health, it is especially difficult for children. Our tobacconist, Mr. Kamal, has always been careful about this. If his customers are very young, he always asks them whom the cigarettes are for. One day , a little girl walked boldly into his shop and demanded twenty cigarettes. She had the exact amount of money in her hand and seemed very sure of herself. Mr. Kamal was so surprised by her confident manner that he forgot to ask his usual question. Instead, he asked her what kind of cigarettes she wanted. The girl replied promptly and handed him the money . While he was giving her the cigarettes, Mr. Kamal said laughingly that as she was so young, she should hide the packet in her pocket in case a policeman saw it. However, the little girl didn't seem to find this very funny. Without smiling, she took the packet and walked towards the door. Suddenly she stopped and looked steadily at Mr. Kamal and declared "My dad is a policeman" and with that she walked quickly out of the shop.
