Note: Answer all the questions.

Un seen Passage :

Q.1 / A. Read the following article then answer ( 5 ) of the following questions.

( 10 M.)

Sarah Chris is a freelance writer who works at home . She bought a laptop from a superstore at a law price . When she took it home , she discovered that the screen was scratched . The store agreed to exchange it . When a new laptop was brought to her home , Sarah found that the outside cover was broken . Again she complained , so the store offered her another computer but this one didn't work right , either . Some of the keys on the keyboard were loose . Finally she was offered an over checked one , but it was out of work a week after she started using it . At this point , Sarah got angry and she wrote the manager a letter explaining that she was losing work because of all the computer problems . The store offered Sarah the full price of the computer plus 1000 \$ for all the problems she had suffered .
