Q 1) A/ Read this text carefully then answer ( 5 ) of the questions that follow.

( 10 M. )

Henry and his friends were at the corner store when Alex offered to buy a packet of cigarettes. Henry had always been interested in smoking but he wasn't sure if he should try it. He had heard that smoking made people look cool, but he also knew the risks of smoking. The cashier noticed them looking at the cigarettes and said, " You know smoking might seem cool, but it's really bad for you. It costs your health and your future. It's not something you want to start." Henry thought about what the cashier said. He remembered his mother telling him that smoking could hurt his lungs and make him feel tired all the time. Alex said, " Come on, guys. It's just for fun. It won't hurt. We are not kids anymore." Henry felt the pressure. Everyone was waiting for him to decide. Henry thought about his mother's warnings and all the reasons he didn't want to start smoking. After a moment, he said, " I think I'll avoid that." Alex looked disappointed but smiled faintly. The others also refused the offer. Henry knew that it was a small choice, but it felt like the right one. He felt proud of his decision.
